

Greetings from Kempsville PONY Baseball.

Our 2009 baseball season is here, and we are actively seeking community sponsors for our youth baseball program. This is Kempsville PONY Baseball's 50th Anniversary Season of teaching and playing quality youth baseball in Kempsville. We are very proud of our history in the area. We work hard to provide our players, families and the community a positive program that uses competition on the field to teach teamwork, sportsmanship, and character.

PONY Baseball's goal is to Protect Our Nation's Youth. We are fully committed to that goal for our players from ages 7 to 18. As you might be aware, the intersection project for Kempsville, Witchduck and, Princess Anne Roads required that Kempsville PONY Baseball relocate to Providence Park on Reon Dr. (between Providence and Indian River Rds.) This move resulted in some significant expenses for our league, and we are hoping that local businesses and organizations like yours will help us.

We have several levels of sponsorship opportunities, and we ask that you consider how you might support Kempsville PONY Baseball's tradition of excellence in youth sports. Kempsville PONY Baseball is a non-profit organization as defined by Section 501 (C) (3) of the Internal Revenue Code, and your sponsorship may be considered tax deductible.

Please complete the sponsorship form, and contact me if you need additional information. We welcome any questions you might have about local sponsorships and would be happy to provide any information needed if your company has a corporate sponsorship program.

Thank you for your support of quality youth sports programs like the ones we offer at Kempsville PONY Baseball.

Frank Alberio  
President, Kempsville PONY Baseball
