First Responder or other Medical Professional,

This letter provides the information you might need in order to be able to decide on the appropriate first aid, medical transport, or medical treatment action for one of our players. The parent or legal guardian of every player who registers to play with Kempsville PONY Baseball must acknowledge or sign a Medical Release Form that states the following :

"I hereby grant my permission to managing personnel or other league representatives to authorize and obtain medical care, at my expense, from any licensed physician, hospital, or medical clinic should the player become ill or injured while participating in league activities away from home, or where neither parent or legal guardian is available to grant authorization for emergency treatment."

The team manager or one of the team coaches can confirm that a player whose parent or legal guardian might not be available is registered with Kempsville PONY Baseball. Kempsville PONY Baseball maintains documentation of the acknowledgement of the medical release statement and of each player's family medical insurance provider. We will provide this information at the earliest possible opportunity. Our points of contact are Bernie Kozuch (Player Agent) at (757) 573-4075 or Frank Albero (League President) at (757) 677-6585.

Sincerely,

Frank Albero
President,
Kempsville PONY Baseball
